Solicitation No. 406540

PROJECT: SHIPPS CORNER PRESSURE REDUCING STATION MODIFICATIONS (AT011520)

LOCATION: Virginia Beach, Virginia

ENGINEER: Guernsey Tingle
4350 New Town Avenue, Suite 101 Williamsburg, Virginia 23188

The Hampton Roads Sanitation District (HRSD) will receive electronic Bids for the above referenced project online through HRSD's Online Oracle ERP system (<https://www.hrsd.com>) by ~~June 30, 2023~~ July 5, 2023 {Addendum No. 2}, no later than 2:00 p.m. local time. Failure to submit a Bid through HRSD's Online Oracle ERP system prior to the due date and time will be cause for rejection by HRSD. Interested firms can attend the virtual bid opening at the following link [Bid Opening](#) or by calling +1 757-524-3781 and using Conference ID 752 247 358#.

Procedures for submitting a Bid, claiming an error, withdrawing of Bids and other pertinent information are contained in the Instructions to Bidders. HRSD reserves the right to reject any or all Bids, waive any informalities, or negotiate with the low bidder as described in the Instructions to Bidders.

Bid Documents may be viewed by logging into HRSD's Online Oracle ERP system. All Bidders must be registered in advance of submitting a Bid. Technical questions should be submitted through HRSD's Online Oracle ERP system as an online discussion. Questions related to submitting a Bid or using the online system should be directed to the ERP HelpDesk at erphelp@hrsdc.com or 757-460-7318 or Katrina Davis at kndavis@hrsdc.com.

Contractor registration in accordance with Title 2.2, Chapter 43 and Title 54.1, Chapter 11, Code of Virginia is required.

The Project or Work consists of modifications to the Shipps Corner Pressure Reducing Station located at 1633 Drakesmile Road in Virginia Beach, VA. These modifications include, but are not limited to, the removal of the existing power generator, replacement with a new larger generator (supplied by HRSD), replacement of the existing day tank system, structural modifications to the existing generator slab, new exterior concrete slab for new day tank and electrical and mechanical support modifications for new systems. Building modifications include demolition of the existing mansard roof and generator louver. The existing mansard roof contains asbestos – see supplied HAZMAT report prepared for the project. The building will receive a new exterior façade applied over the existing brick including Exterior Insulation Finishing Systems (EIFS) along with a parapet extension. Other work includes landscaping and fencing improvements.

A virtual pre-bid conference will be held on June 13, 2023, at 10:00 a.m. local time at the following link [Pre-bid Conference](#) or by calling +1 757-524-3781 and using Conference ID 726 517 167#. Attending the conference shall not be mandatory for those submitting a Bid.

A site visit will be held on June 14, 2023, at 10:00 a.m. local time at the project site (1633 Drakesmile Road Virginia Beach, Virginia 23453).

A Bid Bond in the amount of 5 percent of the Bid shall be submitted electronically with each Bid.
