PROJECT: HIGH PRIORITY INFLOW AND INFILTRATION REDUCTION PROGRAM (GN020300)

Notice is hereby given that the Hampton Roads Sanitation District (HRSD) (Owner) requests Statement of Qualifications (SOQ) from qualified Private Entities (Proposers) to provide professional engineering, construction, and support services necessary to design and construct multiple sanitary sewer rehabilitation and replacement projects within gravity sanitary sewer systems, utilizing a design/build delivery method governed by an Interim Agreement and Comprehensive Agreement. The goal of this Program is to reduce capacity-related sanitary sewer overflows (SSOs) within the pre-selected locality catchments through the cost-effective reduction of inflow and infiltration (I&I).

The evaluation and selection of the Private Entity shall be based on the evaluation plan specified in the Request for Qualifications (RFQ) which provides for a proposal submission process consisting of an initial RFQ and a subsequent Request for Proposals (RFP). Owner shall evaluate each SOQ and select 2 or more proposers for further consideration. Owner shall select a Private Entity on the basis of all information developed during the selection process that best serves the interest of the Owner. Only Proposers short-listed as a result of this RFQ will be allowed to submit a proposal under the RFP.

Any Private Entity desiring consideration may submit a SOQ online through Owner's Online Oracle Enterprise Resource Planning (ERP) system (<https://www.hrsd.com>) by April 1, 2024 until 11:00 a.m. local time. Failure to submit a SOQ through Owner's Online Oracle ERP system prior to the due date and time will be cause for rejection by Owner.

The RFQ may be viewed by logging into Owner's Online Oracle ERP system. All Proposers must be registered in advance of submitting a SOQ. Technical questions should be submitted through Owner's Online Oracle ERP system as an online discussion. Questions related to submitting a SOQ or using the online system should be directed to the ERP HelpDesk at [erphelp@hrsdc.com](mailto:erphelp@hrsdc.com) or 757-460-7318 or Katrina Davis at [kndavis@hrsdc.com](mailto:kndavis@hrsdc.com).

A virtual pre-qualification conference will be held on March 4, 2024 at 1p.m. local time at the following link [[Pre-Qualification Conference](#)] or by calling 757-524-3781 and using Conference ID 773 085 987#. Attendance at the pre-qualification conference shall not be mandatory for Proposers to submit a SOQ.
