

# HRSD Small Communities Development Review Document Requirements

(King William Co., King & Queen Co., Mathews Co., Middlesex Co., Town of Urbanna, Town of West Point)

## Attention:

Determine which Case (A- I) from the flowchart below is applicable to your project and open the <Document Requirements> link to find more about HRSD submittal requirements.

## General Notes:

1. All project requests must be submitted to HRSD Hydraulic Capacity Section via the email link: [developrequest@hrsd.com](mailto:developrequest@hrsd.com)
2. Projects with incomplete documentation shall not be processed.
3. Allow 30 calendar days for review and comment from the date of remittance.
4. Utility work within a paved section of an existing VDOT ROW will not be allowed without a VDOT permit.
