

# Hampton Roads Sanitation District Kiln Creek – Route 171 Pipeline Project **Open House**

HRSD invites you to attend an open house to learn about a project to install approximately six miles of pipelines from the Kiln Creek area of York County to the Wythe Creek area of Poquoson. The work also includes pipelines between Victory Boulevard and Yorktown Road and between Tabb Middle School and Route 134.

These pipelines are needed to convey wastewater generated by area homes and businesses to HRSD treatment plants. The new pipelines will replace aging portions of the existing system and will improve system operations. Construction is expected to begin in Spring 2009 and end in Spring 2010.

***Come to the Open House and:***

- Meet with representatives of HRSD and our engineering consultant
- Hear an explanation of the proposed design for the project
- Ask questions
- Offer your input

**Date:** Wednesday, September 17, 2008

**Time:** 5:00 p.m. – 7:00 p.m.

**Place:** Tabb High School

4431 Big Bethel Road, Yorktown, Virginia 23693

If you have questions about the meeting or comments about the project, please contact the Chief of Communications at 460-7056. You may also visit the Project Updates page of HRSD's Web site ([www.hrsd.com](http://www.hrsd.com)) to learn more about the project.
