

OPEN HOUSE INVITATION

Please stop by to learn about proposed plans to upgrade our York River Treatment Plant

Date: Wednesday,
September 19, 2007
Time: 5:00 p.m. - 7:00 p.m.
Location: Seaford Elementary
School
1105 Seaford Road,
Seaford, Virginia

Visitors will have the opportunity to: See drawings of the proposed new state-of-the-art treatment facilities that will reduce nutrients discharged to the York River; Hear about plans to produce our popular Nutri-Green® compost on site; Talk with representatives of HRSD and the engineering firm that is designing the facilities; and Comment on the proposals. For more information, please call HRSD at 757-460-7056 or e-mail writeus@hrsd.com.
