REQUEST FOR QUALIFICATIONS

for

DESIGN/BUILDER

for the

LOCALITY SEWER REHABILITATION PILOT PROJECT

Notice is hereby given that the Hampton Roads Sanitation District (HRSD) requests sealed Statements of Qualifications (SOQ) from qualified Design/Builders for the design and construction of the Locality Sewer Rehabilitation Pilot Project (herein referred to as “Project”).

The evaluation and selection of the Design/Builder shall be based on the evaluation plan specified in the Request for Qualifications (RFQ), which provides for a two-step proposal submission process consisting of an initial RFQ and a subsequent Request for Proposals (RFP).

Any Design/Builder desiring consideration may submit a sealed SOQ to Patricia L. Hartman, Engineering Department Contract Specialist at HRSD, 1434 Air Rail Avenue, Virginia Beach, Virginia 23455-3002 on April 23, 2015 no later than 11:00 a.m. local time. HRSD shall evaluate each SOQ and short-list proposers for further consideration. Only Design/Builders short-listed as a result of this RFQ will be allowed to submit a proposal under the RFP.

HRSD shall select a Design/Builder on the basis of all information developed during the selection process that best serves the interest of HRSD.

A RFQ may be obtained by e-mail to thartman@hrsd.com. Questions should be directed to Patricia Hartman at 757-460-7010.

A non-mandatory pre-qualifications conference will be held at HRSD, 1434 Air Rail Avenue, Virginia Beach, Virginia on April 16, 2015 at 9:00 a.m. local time.
