

PUBLIC NOTICE
for
PROCUREMENT
of
PROFESSIONAL SERVICES
for
GENERAL ENGINEERING SERVICES

Notice is hereby given that the Hampton Roads Sanitation District (HRSD) requests sealed proposals from qualified consulting firms (FIRM) to provide professional services including analysis, design, construction administration, inspection services and specialty studies. These services shall be provided for an initial period of one (1) year, and HRSD shall have the option to renew the contract annually for a total period not to exceed five (5) years.

All proposers shall have prior experience with providing professional services for other municipal organizations. All proposers shall have a local office within the HRSD service area with sufficient qualified personnel to manage the proposed services. Two (2) qualified consulting firms will be chosen as a result of this selection effort. If a selected firm provides preliminary study related services for a project or effort and HRSD subsequently issues a Request for Proposals for Professional Services, then this firm will not be allowed to compete for the final engineering related services for the specific project or effort.

The evaluation and selection of the FIRM shall be based on an evaluation plan specified in the Request for Proposals. Any firm desiring consideration may submit a sealed Proposal to Patricia L. Hartman, Engineering Department Contract Specialist at the Hampton Roads Sanitation District, 1436 Air Rail Avenue, Virginia Beach, Virginia 23455-3002 on April 28, 2010 no later than 11:00 a.m. local time. HRSD shall evaluate each Proposal and select three (3) or more proposers for further consideration. HRSD shall select a FIRM on the basis of all information developed during the selection process that best serves the interest of HRSD.

A Request For Proposals may be obtained from Patricia L. Hartman at the above address, by telephone at 757-460-7010, or by email at thartman@hrsd.com.

By: Bruce W. Hesselbee, P.E., Director of Engineering
