

PUBLIC NOTICE  
for  
PROCUREMENT  
of  
PROFESSIONAL SERVICES  
for the  
GREAT NECK ROAD INTERCEPTOR FORCE MAIN REPLACEMENT  
SECTION A

Notice is hereby given that the Hampton Roads Sanitation District (HRSD) requests sealed proposals from qualified consulting firms (FIRM) to provide professional services including preliminary engineering report services, design services, pre-construction services, contract administration services, field engineering and inspection services, startup and testing services, and post-startup and certification services for the Great Neck Road Interceptor Force Main Replacement Section A.

All proposers shall have prior experience with the design and construction supervision of wastewater interceptor sewers and temporary shutdowns of existing piping systems to include flow calculation, preparation of detailed contingency plans and handling of flow.

The evaluation and selection of the FIRM shall be based on an evaluation plan specified in the Request for Proposals. Any firm desiring consideration may submit a sealed Proposal to Patricia L. Hartman, Engineering Department Contract Specialist at the Hampton Roads Sanitation District, 1436 Air Rail Avenue, Virginia Beach, Virginia 23455-3002 on November 15, 2011 no later than 11:00 a.m. local time. HRSD shall evaluate each Proposal and select two (2) or more proposers for further consideration. HRSD shall select a FIRM on the basis of all information developed during the selection process that best serves the interest of HRSD.

A Request For Proposals may be obtained from Patricia L. Hartman at the above address, by telephone at 757-460-7010, or by email at thartman@hrsd.com.

A pre-proposal conference will be held at HRSD's Chesapeake-Elizabeth Treatment Plant, 5332 Shore Drive, Virginia Beach, Virginia 23455 on October 31, 2011 at 1:30 p.m. local time.

By: Gary M. Hart, P.E., Chief of Design & Construction
