PRESSURE REDUCING STATION RELIABILITY UPGRADES FOR

PROVIDENCE ROAD PRS, ATLANTIC PRS, KEMPSVILLE PRS, LASKIN ROAD PRS,

AND PINE TREE PRS

Notice is hereby given that the Hampton Roads Sanitation District (HRSD) requests Statements of Qualifications (SOQ) from qualified Construction Management firms for construction of the Pressure Reducing Station Reliability Upgrades for Providence Road PRS, Atlantic PRS, Kempsville PRS, Laskin Road PRS, and Pine Tree PRS (herein referred to as "Project").

Construction Managers shall have prior demonstrated experience with the construction of large water, wastewater, or stormwater pumping stations with a flow capacity of at least 5 MGD.

The evaluation and selection of the Construction Manager shall be based on the evaluation plan specified in the Request for Qualifications, which provides for a two step proposal submission process consisting of an initial Request for Qualifications (RFQ) and a subsequent Request for Proposals (RFP).

Any Construction Manager desiring consideration may submit a SOQ online through HRSD's Online Oracle ERP system (<http://www.hrsd.com/engineeringtasks.shtml>) no later than 11:00 a.m. local time on March 6, 2018. Failure to submit a SOQ through HRSD's Online Oracle ERP system prior to the due date and time will be cause for rejection by HRSD. HRSD shall evaluate each SOQ and short-list Construction Managers for further consideration. Only Construction Managers short-listed as a result of this RFQ will be allowed to submit a proposal under the RFP. HRSD shall select a Construction Manager on the basis of all information provided during the selection process that best serves the interest of HRSD.

This Request For Qualifications may be viewed by logging into HRSD's Online Oracle ERP system. All Construction Managers must be registered in advance of submitting a SOQ. Technical questions should be submitted through the online discussion tool available via HRSD's Online Oracle ERP system. Questions related to submitting a SOQ or using the online system should be directed to Tricia Hartman via e-mail at thartman@hrsdc.com or 757-460-7010 or the ERP Helpdesk at ERPHelp@hrsdc.com or 757-460-7318.

A non-mandatory pre-qualifications conference will be held at HRSD's main office, 1434 Air Rail Avenue, Virginia Beach, VA 23455 on February 20, 2018 at 9:00 a.m. local time.
