PUBLIC NOTICE
for
REQUEST FOR QUALIFICATIONS
for the
DESIGN/BUILDER
for
SURRY HYDRAULIC IMPROVEMENTS AND INTERCEPTOR FORCE MAIN (SU010200)
(Solicitation No. 403775)

Notice is hereby given that the Hampton Roads Sanitation District (HRSD) requests Statements of Qualifications (SOQ) from qualified Design/Builders to design, construct, and place into operation facilities that will convey the flow from the Town of Surry Treatment Plant to the Williamsburg Treatment Plant. The scope of work will also include the demolition of the Town of Surry Treatment Plant.

All design/builders shall demonstrate prior experience with the design and construction of pump stations, equalization tanks, force mains, horizontal directional drills (HDD), and river crossings.

The evaluation and selection of the DESIGN/BUILDER shall be based on the evaluation plan specified in the Request for Qualifications (RFQ), which provides a two-step proposal submission process consisting of an initial RFQ and a subsequent Request for Proposal (RFP).

Any Design/Builder desiring consideration may submit a SOQ online through HRSD’s Online Oracle ERP system (http://www.hrsd.com/engineeringtasks.shtml) through the ERP iSupplier Portal login no later than 11:00 a.m. local time on September 25, 2018. Failure to submit a SOQ through HRSD’s Online Oracle ERP system prior to the due date and time will be cause for rejection by HRSD. HRSD shall evaluate each SOQ and select two (2) or more proposers for further consideration. Only Design/Builders short-listed as a result of this RFQ will be allowed to submit a proposal under the RFP.

HRSD shall select a Design/Builder on the basis of all information developed during the selection process that best serves the interest of HRSD.

This Request For Qualifications may be viewed by logging into HRSD’s Online Oracle ERP system. All proposers must be registered in advance of submitting a SOQ. Technical questions should be submitted through the online discussion tool available via HRSD’s Online Oracle ERP system. Questions related to submitting a SOQ or using the online system should be directed to the ERP Helpdesk at ERPHelp@hrsds.com or 757-460-7318, Rebecca Ashley at rashley@hrsds.com, or reference the How-To Guides provided for assistance at the website above.

A non-mandatory pre-qualifications conference will be held at HRSD North Shore Operations, 2389 G Avenue, Newport News, Virginia 23602 on September 13, 2018 at 1:00 p.m. local time.
