

PUBLIC NOTICE FOR PROCUREMENT OF PROFESSIONAL SERVICES

Solicitation No. 405378

PROJECT: WILROY PRESSURE REDUCING STATION AND OFF-LINE STORAGE FACILITY (NP014000)

Notice is hereby given that the Hampton Roads Sanitation District (HRSD) requests Proposals from qualified consulting firms (Firm) to provide professional services including preliminary engineering report services, design services, pre-construction services, contract administration services, field engineering and inspection services, startup and testing services, operations and training services, and post-startup and certification services for Wilroy Pressure Reducing Station and Off-Line Storage Facility (NP014000).

All proposers shall demonstrate prior experience with design, construction administration and inspection of storage tanks, pump stations, and odor control systems to include start-up, testing, operations and training, post start-up and certifications, and commissioning.

The evaluation and selection of the Firm shall be based on the evaluation plan specified in the Request for Proposals (RFP). Any Firm desiring consideration may submit a Proposal online through HRSD's Online Oracle ERP system (<https://www.hrsd.com>) by September 28, 2021 no later than 11:00 a.m. local time. Failure to submit a Proposal through HRSD's Online Oracle ERP system prior to the due date and time will be cause for rejection by HRSD. HRSD shall evaluate each Proposal and select two (2) or more Proposers for further consideration. HRSD shall select one Firm on the basis of all information developed during the selection process that best serves the interest of HRSD.

The RFP may be viewed by logging into HRSD's Online Oracle ERP system. All Proposers must be registered in advance of submitting a Proposal. Technical questions should be submitted through HRSD's Online Oracle ERP system as an online discussion. Questions related to submitting a Proposal or using the online system should be directed to the ERP HelpDesk at erphelp@hrsdc.com or 757-460-7318 or Tricia Hartman at thartman@hrsdc.com.

This project is anticipated to be funded in part under the Virginia Clean Water Revolving Loan Fund.
