Solicitation No. 406168

PROJECT: Boat Harbor Treatment Plant Pump Station Conversion Site Improvements (BH015701)

LOCATION: Newport News, Virginia

ENGINEER: Kimley-Horn and Associates, Inc.
4525 Main Street, Suite 1000, Virginia Beach, VA 23462

The Hampton Roads Sanitation District (HRSD) will receive electronic Bids for the above referenced project online through HRSD's Online Oracle ERP system (<https://www.hrsd.com>) by November 30, 2022, no later than 2:00 p.m. local time. Failure to submit a Bid through HRSD's Online Oracle ERP system prior to the due date and time will be cause for rejection by HRSD. Interested firms can attend the virtual bid opening at the following link [Bid Opening](#) or calling 757-524-3781 and using Conference ID 946 761 005#.

Procedures for submitting a Bid, claiming an error, withdrawing of Bids and other pertinent information are contained in the Instructions to Bidders. HRSD reserves the right to reject any or all Bids, waive any informalities, or negotiate with the low bidder as described in the Instructions to Bidders.

Bid Documents may be viewed by logging into HRSD's Online Oracle ERP system. All Bidders must be registered in advance of submitting a Bid. Technical questions should be submitted through HRSD's Online Oracle ERP system as an online discussion. Questions related to submitting a Bid or using the online system should be directed to the ERP HelpDesk at erphelp@hrsdc.com or 757-460-7318 or Shannon Rice at srice@hrsdc.com.

Contractor registration in accordance with Title 2.2, Chapter 43 and Title 54.1, Chapter 11, Code of Virginia is required.

The Project or Work consists of approximately 2 acres of gravel removal, 8 acres of vegetation clearing, and 60,000 cubic yards of material removal (some potentially impacted and requiring appropriate disposal). Proposed improvements include the installation of three (3) construction entrances accessing Terminal Avenue in Newport News, VA, 3 acres of stone laydown and access roads, and the installation of erosion control measures including a sediment basin, sediment trap, silt fence, and inlet protection to prepare the site for pump station and tank construction.

A virtual pre-bid conference will be held on November 3, 2022, at 10:00 a.m. local time at the following link [Pre-Bid Conference](#) or calling 757-524-3781 and using Conference ID 921 762 577#. Attending the conference shall not be mandatory for those submitting a Bid.

A Bid Bond in the amount of 5 percent of the Bid shall be submitted electronically with each Bid.
