Solicitation No. 405653

PROJECT: Lucas Creek Pump Station Replacement (JR013500/VCWRLF C-515663G)  
LOCATION: Newport News, Virginia  
ENGINEER: HDR Engineering, Inc., 249 Central Park Avenue, Suite 201, Virginia Beach, Virginia  
23462

The Hampton Roads Sanitation District (HRSD) will receive electronic Bids for the above referenced project online through HRSD's Online Oracle ERP system (<https://www.hrsd.com/engineering-task-submittals>) by April 5, 2022, no later than 2:00 p.m. local time. Failure to submit a Bid through HRSD's Online Oracle ERP system prior to the due date and time will be cause for rejection by HRSD. Interested firms can attend the virtual bid opening at the following link [Bid Opening](#) or call +1 757-524-3781 and use Conference ID 750116396#.

Procedures for submitting a Bid, claiming an error, withdrawing of Bids and other pertinent information are contained in the Instructions to Bidders. HRSD reserves the right to reject any or all Bids, waive any informalities, or negotiate with the low bidder as described in the Instructions to Bidders.

Bid Documents may be viewed by logging into HRSD's Online Oracle ERP system. All Bidders must be registered in advance of submitting a Bid. Technical questions should be submitted through HRSD's Online Oracle ERP system as an online discussion. A link to the How-To Guides are available at the bottom of the webpage link above to assist with navigating the HRSD online system. Additional questions related to submitting a Bid or using the online system should be directed to the ERP HelpDesk at [erphelp@hrsdc.com](mailto:erphelp@hrsdc.com) or 757-460-7318 or Rebecca Ashley at [rashley@hrsdc.com](mailto:rashley@hrsdc.com).

Contractor registration in accordance with Title 2.2, Chapter 43 and Title 54.1, Chapter 11, Code of Virginia is required.

The Project or Work consists of constructing a new Lucas Creek Pump Station on vacant property to replace the adjacent existing Lucas Creek Pump Station. The work generally includes, but is not limited to, building construction, installation of process piping, pumping equipment, odor control equipment, crane equipment, electrical systems, instrumentation systems, control systems, and associated trade work. In addition, line stop flow diversions are required to make final connections into the existing interceptor system and traffic control is needed for work in the right-of-way.

A virtual pre-bid conference will be held on March 14, 2022, at 1:00 p.m. local time at the following link [Pre-Bid Conference](#) or call +1 757-524-3781 and use Conference ID 212818672#. Attending the conference shall not be mandatory for those submitting a Bid. A site visit will be held one hour following the pre-bid conference at 748 Old Lucas Creek Road, Newport News, Virginia, 23602.

A Bid Bond in the amount of 5 percent of the Bid shall be submitted electronically with each Bid.

This project is being funded in part under the Virginia Clean Water Revolving Loan Fund (VCWRLF). Bidders shall comply with the President's Executive Order No. 11246 (Prohibiting discrimination in

employment regarding race, color, creed, sex or national origin), No. 12138 and No. 11625 (Regarding MBE/WBE utilization). Bidders shall also comply with the Civil Rights Act of 1964. Bidders must certify that they do not and will not maintain or provide for their employees any facilities that are segregated on basis of race, color, creed or national origin.
