Solicitation No. 406019

PROJECT: York River System Isolation Valve Installation and Replacement (YR013900)
LOCATION: City of Hampton and York County, Virginia
ENGINEER: Kimley-Horn and Associates, Inc., 4525 Main Street, Suite 1000, Virginia Beach, Virginia
23462

The Hampton Roads Sanitation District (HRSD) will receive electronic Bids for the above referenced project online through HRSD's Online Oracle ERP system (<https://www.hrsd.com/engineering-task-submittals>) by August 30, 2022, no later than 2:00 p.m. local time. Failure to submit a Bid through HRSD's Online Oracle ERP system prior to the due date and time will be cause for rejection by HRSD. Interested firms can attend the virtual bid opening at the following link [Click here to join the Bid Opening](#) or call (757) 524-3781 and use Conference ID 309137752#.

Procedures for submitting a Bid, claiming an error, withdrawing of Bids and other pertinent information are contained in the Instructions to Bidders. HRSD reserves the right to reject any or all Bids, waive any informalities, or negotiate with the low bidder as described in the Instructions to Bidders.

Bid Documents may be viewed by logging into HRSD's Online Oracle ERP system. All Bidders must be registered in advance of submitting a Bid. Technical questions should be submitted through HRSD's Online Oracle ERP system as an online discussion. A link to the How-To Guides are available at the bottom of the webpage link above to assist with navigating the HRSD online system. Additional questions related to submitting a Bid or using the online system should be directed to the ERP HelpDesk at erphelp@hrsdc.com or 757-460-7318 or Rebecca Ashley at rashley@hrsdc.com.

Contractor registration in accordance with Title 2.2, Chapter 43 and Title 54.1, Chapter 11, Code of Virginia is required.

The Project or Work consists of furnishing and installing 15 valves along existing HRSD force mains along with associated pipeline and appurtenances ranging in size from 12-inch to 30-inch, and all associated work required by the Contract Documents at four different sites located between the Coliseum Drive Pressure Reducing Station (PRS) and the future Tabb PRS in the City of Hampton and York County, Virginia. The project includes one (1) trenchless casing installation with a total of approximately 65 linear feet of 48-inch casing pipe, tapping sleeves and valves as well as line stops with temporary bypass lines for valve installations, abandonment of existing force main piping, traffic control, and associated restoration.

A virtual pre-bid conference will be held on August 9, 2022, at 2:30 p.m. local time at the following link Pre-bid Conference [Click here to join Pre-Bid Conference](#) or call (757) 524-3781 and use Conference ID 755328222#. Attending the conference shall not be mandatory for those submitting a Bid. No site visit will be provided.

A Bid Bond in the amount of 5 percent of the Bid shall be submitted electronically with each Bid.
