Solicitation No. 408319

PROJECT: DOZIER'S CORNER PUMP STATION REPLACEMENT (AT015400)

LOCATION: Chesapeake, Virginia

ENGINEER: GFT
222 Central Park Avenue, Suite 1910, Virginia Beach, Virginia 23462

The Hampton Roads Sanitation District (HRSD) (Owner) will receive electronic Bids for the above referenced project online through Owner's Online Oracle Enterprise Resource Planning (ERP) system (<https://www.hrsd.com/engineering-task-submittals>) by October 20, 2026, no later than 2:00 p.m. local time. Failure to submit a Bid through Owner's Online Oracle ERP system prior to the due date and time will be cause for rejection by Owner. Interested Contractors (Bidders) can attend the virtual bid opening at the following link [Bid Opening](#) or calling 757-524-3781 and using Conference ID 149 750 08#.

Procedures for submitting a Bid, claiming an error, withdrawing of Bids and other pertinent information are contained in the Instructions to Bidders. Owner reserves the right to reject any or all Bids, waive any informalities, or negotiate with the low Bidder as described in the Instructions to Bidders.

Bid Documents may be viewed by logging into Owner's Online Oracle ERP system. All Bidders must be registered in advance of submitting a Bid. Technical questions should be submitted through Owner's Online Oracle ERP system as an online discussion. Questions related to submitting a Bid or using the online system should be directed to the ERP HelpDesk at erphelp@hrsdc.com or Tricia Hartman at thartman@hrsdc.com.

Contractor registration in accordance with Title 2.2, Chapter 43 and Title 54.1, Chapter 11, Code of Virginia is required.

The Project or Work consists of construction of a replacement pump station to include two (2) 25-HP submersible solids handling pumps and a permanent natural gas bypass pump, force main tie-in with approximately 720 linear feet of new 10-inch HDPE force main, appurtenances, drainage work including replacement of the existing triple culvert with a new precast box culvert, pipe and two (2) manhole rehabilitations, and the demolition of the existing Dozier's Corner Pump Station at 1109 Keats Street in Chesapeake. Access to the project site will be through a temporary ingress/egress easement through the adjacent cemetery property. Clear access must be maintained along the easement area for cemetery visitors and employees. Coordination with the cemetery may be required throughout the project duration.

A virtual pre-bid conference will be held on September 21, 2026, at 10:00 a.m. local time at the following link [Pre-Bid Conference](#) or calling 757-524-3781 and using Conference ID 915 352 047#. A site visit will be held on September 21, 2026, at 11:30 a.m. local time. Attending the conference and site visit shall not be mandatory for those submitting a Bid.

A Bid Bond in the amount of 5 percent of the Bid shall be submitted electronically with each Bid.

This Project received partial funding from the Virginia Community Flood Preparedness Fund (CFPF) Grant Program through the Virginia Department of Conservation and Recreation (DCR), via CFPF-25-05-38.
