Hampton Roads Utilities Gather for the Annual Coordination Meeting

By Richard Stahr, Brown & Caldwell

On November 24, 2008, the Hampton Roads Planning District Commission hosted the annual meeting of the parties to the Virginia Department of Environmental Quality (DEQ) Special Order By Consent (SOC) dealing with the sanitary sewer system. More than 30 people representing the 13 localities, Hampton Roads Sanitation District (HRSD) and their technical consultants attended the meeting.

effort to collaborate and maintain a consistent approach towards satisfying the requirements of the SOC.

Training Is A Key to Success

HRSD staff and representatives of Hampton Roads localities have participated in numerous training sessions to learn features of new software programs implemented to enhance data collection and hydraulic modeling. Pictured here are HRSD employees and consultant Matthias Wittenberg (far right) engaged in a discussion of the hydraulic modeling program MIKE URBAN.
