

# 2021 HRSD “Inspiring Water Wonder” Art Showcase

## Overview

HRSD is calling on your creativity to illustrate the theme “*Inspiring Water Wonder*,” focusing on Water Resource Engineering. View the [Water Resources Engineering video](#) and other videos on HRSD’s YouTube channel for inspiration. Questions to consider as you develop your art (pick one or multiple):

1. How do Water Resource Engineers make a difference today? What about the future?
2. What does protecting public health and our waterways look like to you?
3. What will you do to protect our water from problems like pollution or overuse?
4. What is possible if people did not waste water?
5. Why is water so important?
