HRSD Pipeline Repair Underway in Gloucester

HRSD crews have mobilized to repair a valve on a 30-inch pipeline along Route 17 near Tidemill Road in Gloucester. To maintain sanitary sewer service while the work is being accomplished, a pump and haul operation will be conducted in multiple locations throughout Gloucester County. Crews will work around the clock until the repair is complete.

###

HRSD, a political subdivision of the Commonwealth of Virginia, was created by public referendum in 1940 and currently serves 17 cities and counties in southeast Virginia, an area with a population of 1.6 million.

Our Mission: We protect public health and the waters of Hampton Roads by treating wastewater effectively.
