Temporary lane closures planned for intersection of Providence Road and Kempsville Road on Thursday night

VIRGINIA BEACH – The inside lane of eastbound Providence Road and the right lane of northbound Kempsville Road will be closed at the intersection of these two thoroughfares on Thursday, February 25, at 8:00 p.m. The lane closures will be in effect until 5:00 a.m. Friday so HRSD crews can repair a valve in a 16-inch sanitary sewer pipeline.

Traffic control devices will be installed to alert motorists to these temporary lane closures and a police officer will be at the scene to direct traffic as needed.

###

HRSD, a political subdivision of the Commonwealth of Virginia, was created by public referendum in 1940 and currently serves 17 cities and counties in southeast Virginia, an area with a population of 1.6 million.

Our Mission: We protect public health and the waters of Hampton Roads by treating wastewater effectively.
