

Completed Projects

CAPITAL IMPROVEMENT PROGRAM
PROJECTS COMPLETED IN FY26

CIP No	Project Name	Project Status	Estimated Total Cost
PR_AB010000	Army Base 24-Inch and 20-Inch Transmission Main Replacements	Completed	\$18,094,255
PR_AD012500	Cybersecurity Practice & Procedure Initiative	Completed	\$15,500,000
PR_AD012740	Capital Improvement Program Internal Labor FY26	Completed	\$4,383,000
PR_AT013000	Washington District Pump Station Area Sanitary Sewer Improvements	Completed	\$11,304,068
PR_AT014100	Suffolk Regional Landfill Transmission Force Main	Completed	\$7,000,000
PR_AT015500	Atlantic Treatment Plant Secondary Clarifier Effluent Weir Replacement and Enhancements	Completed	\$4,094,585
PR_BH014900	Hampton Trunk Sewer Extension Division K Gravity Improvements	Completed	\$3,607,150
PR_BH015710	Boat Harbor Treatment Plant Transmission Force Main Section 1 (Subaqueous)	Completed	\$168,722,928
PR_CE011300	Birchwood Trunk 24-Inch and 30-Inch Force Main at Independence Boulevard Replacement Phase II	Completed	\$4,165,398
PR_CE011600	Poplar Hall Davis Corner Trunk 24-Inch Gravity Sewer Improvements	Completed	\$5,455,847
PR_CE011841	Oceana Off-line Storage Facility Land Acquisition	Completed	\$754,000
PR_ES010600	Onancock Meter Replacement	Completed	\$1,030,640
PR_GN015300	Interceptor System Valve Improvements Phase I	Completed	\$4,941,075
PR_GN015800	North Shore Automated Diversion Facilities	Completed	\$2,566,098
PR_GN016344	James River Land Improvements - Phase I	Completed	\$11,028,044
PR_GN016346	Boat Harbor Transmission Force Main Land Acquisition	Completed	\$9,286,471
PR_GN016362	James River Recharge Wells (Off Site)	Completed	\$47,334,000
PR_GN020300	High Priority Inflow and Infiltration Reduction Program	Completed	\$11,760,000
PR_GN020600	Development Plan 2025	Completed	\$289,055
PR_JR011730	Jefferson Avenue Interceptor Force Main Replacement Phase III	Completed	\$23,726,456
PR_JR013401	James River Treatment Plant MIFAS Conversion Emergency	Completed	\$6,595,341
PR_JR014410	James River Treatment Plant Primary Clarifier Pipes (1 and 2)	Completed	\$1,247,856
PR_MP014800	Small Communities Rehabilitation Phase V	Completed	\$1,603,951
PR_MP016400	West Point to Williamsburg Alignment Study	Completed	\$360,000
PR_NP014500	Nansemond Treatment Plant Regional Residuals Facility Upgrade	Completed	\$4,598,247
PR_NP016100	Cedar Lane Pump Station (PS 104) Study	Completed	\$100,000
PR_SU010200	Surry Hydraulic Improvements and Interceptor Force Main	Completed	\$44,513,606
PR_VP014700	Ingleside Road Pump Station Replacement	Completed	\$3,146,062
PR_VP014800	Lee Avenue-Wesley Street Horizontal Valve Replacement	Completed	\$7,831,572
PR_VP016700	Norview-Estabrook Division I 18-Inch Force Main Replacement Phase III	Completed	\$5,540,652
PR_WB013100	Williamsburg Treatment Plant Outfall Flow Control System Repairs	Completed	\$5,569,232
PR_WB013600	Williamsburg Treatment Plant Influent Loading Reduction Improvements	Completed	\$1,787,468
PR_WB013910	Williamsburg Treatment Plant Emissions Monitoring System	Completed	\$650,000
PR_YR013900	York River System Isolation Valve Installation and Replacement	Completed	\$9,093,091
PR_YR014200	LaSalle Avenue Boat Harbor to York River Interconnect Force Main	Completed	\$19,635,134
PR_YR014700	Coliseum PRS Off-Line Storage Tank Odor Control Upgrades	Completed	\$636,036
36 TOTAL PROJECTS		ESTIMATED TOTAL COST	\$467,951,317
