Temporary lane closure planned for Independence Boulevard south of Ewell Road on Tuesday night

VIRGINIA BEACH – The inside lane of Independence Boulevard south of Ewell Road (adjacent to the Bayside Presbyterian Church) will be closed the evening of Tuesday, April 12, while concrete barriers are installed at the edge of the pavement next to the median. This will allow contractors to perform additional work on a pipeline adjacent to a recently installed valve. Crews will work in the median, behind the barriers, until the pipeline job is finished and the barriers can be removed.
