**Notice of Listed Event – Incurrence of Financial Obligation**

In accordance with the continuing disclosure undertakings made by the Hampton Roads Sanitation District (the “District”) in connection with the issuance of the bonds identified on Exhibit A hereto (the “Bonds”), the District is providing notice of its incurrence of a financial obligation.

The District entered into a Credit Agreement, dated as of October 30, 2015 (the “Credit Agreement”), with Bank of America, N.A. (the “Bank”), pursuant to which the Bank provided a line of credit in the aggregate principal amount of up to \$90,000,000 (the “Line of Credit”). In August 2016, the District reduced the maximum outstanding authorization on the Line of Credit to \$1,000,000 and extended the termination date of the Line of Credit to June 30, 2017.

Pursuant to the Second Amendment, dated as of April 5, 2017, the termination date of the Credit Agreement was extended to June 30, 2018. Pursuant to the Third Amendment, dated as of May 31 2018, the termination date of the Credit Agreement was extended to June 30, 2019. Pursuant to the Fourth Amendment, dated as of June 6, 2019, the termination date of the Credit Agreement was extended to June 30, 2020. Pursuant to the Fifth Amendment, dated as of April 30, 2020, the District increased the maximum outstanding authorization on the Line of Credit to \$50,000,000, and the termination date of the Credit Agreement was extended to April 29, 2021.

Pursuant to the Amended and Restated Credit Agreement, dated as of April 29, 2021 (as so amended and restated, the “Amended and Restated Credit Agreement”), the maximum outstanding authorization on the Line of Credit remained at \$50,000,000, the termination date of the Credit Agreement was extended to June 30, 2022, and the method of calculating interest on amounts outstanding under the Line of Credit was amended.

Pursuant to the Second Amended and Restated Credit Agreement, dated as of June 30, 2022 (as so amended and restated, the “Second Amended and Restated Credit Agreement”), the maximum outstanding authorization on the Line of Credit was increased to \$100,000,000 (except as described below), the termination date of the Credit Agreement was extended to June 30, 2025, and the method of calculating interest on amounts outstanding under the Line of Credit was amended.

In addition, the Second Amended and Restated Credit Agreement provides that the District may request the Bank to increase the maximum authorization on the Line of Credit to up to \$300,000,000, subject to the Bank’s approval, in its sole discretion.

Pursuant to the First Amendment to Second Amended and Restated Credit Agreement, dated as of August 30, 2023 (as so amended, the “2023 Amended Credit Agreement”), the

maximum outstanding authorization on the Line of Credit was increased to \$200,000,000 (except as described below).

The District does not anticipate providing periodic notice of the execution of draws under the Line of Credit, unless required under its Rule 15c2-12 undertakings (for example in the event of a material modification to the 2023 Amended Credit Agreement, such as an extension of the termination date or a change in the maximum outstanding authorization). The District does, however, reserve the right to make additional voluntary filings in the future.
